## DIOCESAN AND COMMUNITY INFORMATION

### DIOCESAN PRO-LIFE COMMISSION

Catholic social teaching is a central and essential element of our faith. Its roots are in the Hebrew prophets who announced God's special love for the poor and called God's people to a covenant of love and justice. It is a teaching founded on the life and words of Jesus Christ, who came "to bring glad tidings to the poor . . . liberty to captives . . . recovery of sight to the blind"(Lk 4:18-19), and who identified himself with "the least of these," the hungry and the stranger (cf. Mt 25:45). Catholic social teaching is built on a commitment to the poor. This commitment arises from our experiences of Christ in the Eucharist.

### THE 2010 CENSUS: WHAT'S IN IT FOR YOU?

Every year, the federal government distributes more than \$400 billion to state, local and tribal governments based on census data – funding used for new roads, schools, hospitals, job training centers, and community programs. Census data is also used to determine the number of seats each state will have in the U.S. House of Representatives. Within the next few weeks, a census form will be mailed to every household in the U.S. Everyone counts – complete the form and mail it back. For more information, visit [www.2010census.gov](http://www.2010census.gov) or [www.2010census.gov/espanol](http://www.2010census.gov/espanol).
