Through our opportunities as citizens, we can help shape a world more committed to protecting human life and dignity and promoting justice and peace. In their 2007 statement *Forming Consciences for Faithful Citizenship*, the bishops state, "In the Catholic Tradition, responsible citizenship is a virtue, and participation in political life is a moral obligation" (No. 13)."

We very much appreciate everyone's cooperation and patience as we give families the opportunity to meet with a parish volunteer to learn more about the plans to increase our outreach to college students and develop Terra Sancta for the benefit of our parishes and families. When you are asked to attend an event to learn more about this effort, kindly give an hour of your time, for we are convinced that you will quickly understand why this effort deserves your support.
