**FATIMA STATUE**

On October 13, 1917 God worked a spectacular miracle in Fatima, Portugal to prove that Our Blessed Lady was appearing to three little shepherd children with an important message for our time. This miracle took place in front of 70,000 people including government officials and newspaper reporters, all of whom testified that it actually happened. The leading secular newspaper of Portugal gave a complete account of the miracle as witnessed by one of its top reporters.

On **Sunday, June 20** at 10:30 am the World Apostolate of Fatima is bringing to **St. Paul's parish** the National Pilgrim Virgin Statue of the USA. This beautiful Image of Our Lady of Fatima was blessed by Pope Paul VI and given to our country by the Bishop of Fatima to carry the important message of Fatima to the United States. It is a message Pope John Paul II said is more important today than ever.

All are invited and encouraged to come see this beautiful Statue of Our Lady of Fatima and learn Our Lady's message for obtaining peace and putting an end to abortion and the moral corruption that is afflicting our country. **At 12:00 pm**, the Statue Custodian, William Sockey, will explain how the message of Fatima applies to our country today and discuss what we can do to earn the blessings on our country that Our Lady promised if her requests were fulfilled.

The flyer in the bulletin list the other parishes and times the statue will present at.

## DIOCESAN AND COMMUNITY INFORMATION

### DIOCESAN PRO-LIFE COMMISSION

"Catholic Social Teaching is a core component of the Catholic faith. To ensure parishioners in western South Dakota are educated on key issues, Bishop Blase Cupich has established a Social Justice Commission. Sheila Lien will serve as president and Sue Jimmerson, former Pro-Life Commission chair, will serve as vice president. As the bishop noted, "The commission's task must begin with promoting the life and dignity of the human person; but will also include a call to family, community, and participation; fostering rights and responsibilities; an option for the poor and vulnerable; defending the dignity of work and the rights of workers; creating Solidarity within society; and care for God's creation." For a summary of these seven themes of Catholic Social Teaching, see <http://www.usccb.org/sdwp/projects/socialteaching/excerpt.shtml> "New Social Justice Commission will strive to raise awareness", *West River Catholic*, April 2010, [www.rapidcitydiocese.org](http://www.rapidcitydiocese.org)
