DIOCESAN AND COMMUNITY INFORMATION

DIOCESAN PRO-LIFE COMMISSION

“Catholic Teaching on Solidarity: We are one human family. We are our brothers’ and sisters’ keepers, wherever they may be. Pope John Paul II insists, “We are all really responsible for all.” Loving our neighbor has global dimensions in a shrinking world. At the core of the virtue of solidarity is the pursuit of justice and peace. Pope Paul VI taught that “if you want peace, work for justice.” The Gospel calls us to be “peacemakers.” Our love for all our sisters and brothers demands that we be “sentinels of peace” in a world wounded by violence and conflict.”

DID YOU KNOW...

Elementary School at *Terra Sancta*

Space limitations currently challenge every class, program and activity at St. Elizabeth Seton School in Rapid City. Moving the preschool through fifth grade students to the *Terra Sancta* campus will allow for the expansion of the middle school and permit growth throughout the Rapid City Catholic School System. A portion of the funds raised in the *We Walk By Faith Special Appeal* will be used to renovate the former school at *Terra Sancta* into a spacious, safe and secure facility. The academic and spiritual needs of the students will be met for many years to come.

NATIONAL ASSOCIATION OF PASTORAL MUSICIANS (NPM)

Summer Meeting

The NPM summer meeting will be held on Saturday, June 26, from 9:30 a.m. to 4:00 p.m. at St. Therese Church in Rapid City. The morning session will feature a presentation by Bishop Cupich on the new translation of the Roman Missal. During the afternoon session, a panel of music ministers will discuss strategies for starting and maintaining musical ensembles. Attendees will receive free packets of music from Oregon Catholic Press and lunch will be provided. Contact Jackie Schnittgrund at 605.342.6132 or at jschnitt@rap.midco.net to register by June 22.

LISTEN TO YOUR CHILDREN

This summer, when your children are out of school and on different schedules, meeting new people and going to new places, make sure that you talk to them often about their experiences and the people they have met. Listen carefully to your children. If possible, observe and get to know the other children and adults who are part of your children’s summertime fun. Above all, communicate your safety concerns to your children. Make sure they know they can come to you with any concerns they may have about the people with whom they interact. And if you hear of or observe behaviors that may be inappropriate, share your feelings with persons who are in a position to intervene. Communication is key to creating and maintaining a safe environment for children. Linda Severns, the diocesan Safe Environment coordinator, can be reached at 343.3541.
