**LIFE TEEN**

Great volunteer opportunity! An easy way to get involved with the Life Teen program, especially if you have a child attending Life Teen this semester, is to join the Green Team with setting up the environments! You don't have to be a parent, anyone can help! We meet once a month to plan that month's environments, and the core is divided up so once a month in decorating your turn (we hope). Please help the Green Team this year. The more people we have, the better each life night is. Contact Shari at [newmanbhsu@rushmore.com](mailto:newmanbhsu@rushmore.com) or 642-2306.

## DIOCESAN AND COMMUNITY NEWS

### FROM THE DIOCESAN SOCIAL JUSTICE COMMISSION

It is frequently asserted that contraception, if made safe and available to all, is the most effective remedy against abortion...But despite their differences...contraception and abortion are often closely connected, as fruits of the same tree...The close connection which exists, in mentality, between the practice of contraception and that of abortion is becoming increasingly obvious. It is being demonstrated in an alarming way by the development of chemical products, intrauterine devices and vaccines which, distributed with the same ease as contraceptives, really act as abortifacients in the very early stages of the development of the life of the new human being.

### Did You Know...

*The chapel at Terra Sancta*

The fan-shaped chapel gathers worshipers close to the altar made of travertine marble, bringing focus to the Eucharist. Wood Beams on the roof taper upward in the shape of praying hands. Carved from linden wood, the corpus above the altar is covered with silver sheeting. Opposite the altar, the façade window portrays the sacrifices of St. Martin and of Christ. The chapel at Terra Sancta is a place where all can experience oneness with Christ and feel the love of God.
